W. A. Pattillo

High School

Proudly Present

The 1964 Edition of

The Trojan . . .

Foreword

FERN ANITA MATTHEWSON
Editor

Through the years, progress has become evident at Pattillo High. It has been promoted by the administrations, faculties, and students with tremendous interest in our school.

The class of 1964 has had a prominent effect upon the school's progress. There are no laws of progress. Our future is in our hands, to make or to mar. It will be an uphill fight to the end. Thus, progress for Pattillo High will not end at our graduation. It will continue just as we shall continue molding our future.

The TROJAN staff hopes the 1964 TROJAN will denote progress made by you, the Trojanettes and Trojans. As you turn through these pages seeing what you are doing today, it is our hope that you will think ahead to the future and help plan for progress for tomorrow.

If you should recall the many smiles, sorrows, and dreams of '64, we shall be content, knowing we have done the things we were called upon to do.

Dedication

We, the members of the class of 1964, wish to express our appreciation and gratitude to Mrs. Susanna M. Thomas, who has been working ardently with students at the W. A. Pattillo High School for many years.

Mrs. Thomas was born in Tarboro and is one of the first graduates of the W. A. Pattillo High School which was at that time Tarboro Colored High School. She is a graduate of Shaw University where she received a B.S. Degree in Science. She has done further work at Cornell University and A.&T. College. She is Chairman of the Science Department at W. A. Pattillo High School.

Her love, understanding, sincerity, and devotion to duty will ever be remembered by us. As an expression of thanks and deep respect, we proudly dedicate the 1964 TROJAN.

Mrs. Susanna M. Thomas

School History

The school that we now know as Pattillo High began in a six room frame building in the township of Princeville in 1888. There were six teachers and six grades at Princeville Colored School. Mr. John Jones served as Principal until 1907. Tarboro Colored school was standardized under Mr. William A. Perry in 1907. In 1909 that school held its first eighth grade graduation. In the spring of 1920 Mr. W. A. Pattillo was appointed principal. 1920 brought the last eighth grade graduation and the institution of high school for Negroes in Tarboro.

After two years Tarboro Colored School was enlarged to meet the demands of a growing Negro population in East Tarboro. The W. A. Pattillo High and Elementary School was established in East Tarboro with Mr. W. A. Pattillo as Principal.

This new Colored School erected with funds allotted by the School Board had 12 teachers, 12 classrooms and a principal who shared his attention with the school in Princeville. The schools grew rapidly. In 1931 a new building with 17 rooms was added, along with more teachers, making a grand total of 700 pupils, 34 classrooms, 38 teachers, one principal, and two schools.

1933, enrollment boomed and our scanty curricula expanded enough to include athletics. We played our first football game in the fall of '33. It was much later in 1947 when we had our first basketball team, and the following year '48 we added baseball.

In 1941 the school was officially christened W. A. Pattillo High to honor our first Principal Mr. W. A. Pattillo. '46 was a big year for Pattillo. With the growing prosperity of the post-war period the school was finally consolidated. Mr. W. A. Pattillo, the founder, retired and his son Mr. W. H. Pattillo was appointed.

Enrollment continued to increase at such an astronomical rate that make-shift classrooms were erected on Pattillo's campus out of pre-war barracks. Also in '46 the W. A. Pattillo High School Marching Band was born.

The school progressed with state and government aid. In 1950 a building which is referred to as the Gymnasium, Vocational and Science Building was erected on Pattillo's campus. This meant that Physical Education Teachers would never more be dependent on "atmospheric conditions." For the first time our beloved Trojans could participate at night in the popular sport, basketball.

This stepped-up athletic program inspired the football team to win their first, and at present, only Eastern Conference Championship in 1952.

Pattillo High and Elementary School was really on the move. Mrs. Foster and the Senior Class were so inspired that they composed our Alma Mater, "Pattillo High." The student body was elevated to such a point that the first Student Government Organization was established to assist the Administration.

Enrollment in Pattillo High School was at an all time high. Pattillo acquired a new high school building in 1955. It provided nine classrooms and a library along with a full time librarian, and a commercial department with a full time teacher.

1960 brought about a change in administration, the resignation of Mr. W. H. Pattillo and the assignation of Mr. R. H. Cherry. He was full of plans for the growth and development of the school's potentials. A year later, in 1961, the Cafeteria and Music Department were added to our school.

From a six-room wooden building with four regular teachers, one of which was principal, to two modern educational centers, Tarboro Colored Schools have grown. We can all feel proud, for today Pattillo and Princeville Schools are establishments where one may send his children to obtain those skills so necessary in a changing world.

This Is Our Faculty

Like a vast, rapid, exhaustless, deep river of unfailing source flowed and opened foundation in the human heart - - - these men and women are the source of our school - - - the original spring from which the waters flow toward the sea, carrying with them the uninitiated to be taught and to be guided. From them we gain breadth of mind, help, and inspiration. Deep, wide, and steadily, the river runs into the future.

Class History

September 1, 1960, marked the beginning of an adventurous and challenging journey for approximately 116 freshman students at Pattillo High School. Each bright-eyed individual possessed an ever-increasing quest for learning. We were guided by an able and jovial principal, Mr. W. A. Pattillo.

William H. Mathewson was elected president of "the greenies" as the freshman class was invariably called. The year moved swiftly and most of us began to wonder if we knew anything at all.

Nevertheless, we continued on our journey and became well-known for our determination, mental and physical vigor and enthusiasm. We were everywhere. Earl Heath, Glen Hart, Nina Bullock, William Mathewson, Brent Matthewson and Sylvester Pettaway were all members of the school band; and Fern Matthewson, a proud freshman, was leading majorette. Rosa Johnson, Sisie Lewis, Sandra Williams and Patricia Brown were the peppy cheerleaders. The Might Trojan football team had a scrubteam full of eager healthy boys. The most outstanding of which was Charles Brown who was fondly called "speedy."

As sophomores we felt like mature and sophisticated students. The work was harder; yet we were more determined than ever. Eddie Pittman was President of the sophomore class. That year as the year before we were the backbone of the football team. Charles Brown made the varsity Basketball team and Geraldine Archer made a name for herself as the Trojanette. Rosa Johnson was captain of an "all sophomore" cheering team; Sue Lewis, Sandra Williams, Sandra Bryant and Pat Brown were the other famed cheerleaders. The Choral Club was the recipient of many melodious sophomore voices.

There were brains in this class; we boasted a high scholastic average with tight competition for first place.

Our Junior year was memorable. Rosa Johnson was given the challenge of leading the Junior class. Our greatest endeavor was to stage a prom better than any in the history of proms. After lengthy deliberation we chose the theme "Magic Moments." Its success succeeded all our expectations. It was beautiful!

I have yet to mention the beauties in the glorious class of '64. Sandra Bryant was Miss Freshman attendant for Miss Pattillo High, Patricia Brown was our lovely and gracious Miss Sophomore. Laura Bullock "most beautiful" girl in the "class of '64" was Miss Freshman and Sophomore attendant for Miss Homecoming. Our Junior year this lovely lady was crowned Miss Homecoming and also Miss Junior Shop. This year the coy Miss Frances Lynch was the Senior attendant for Miss Homecoming. Patricia Bell was Miss Senior Shop, and the popular Laura Bullock was crowned Miss Pattillo High.

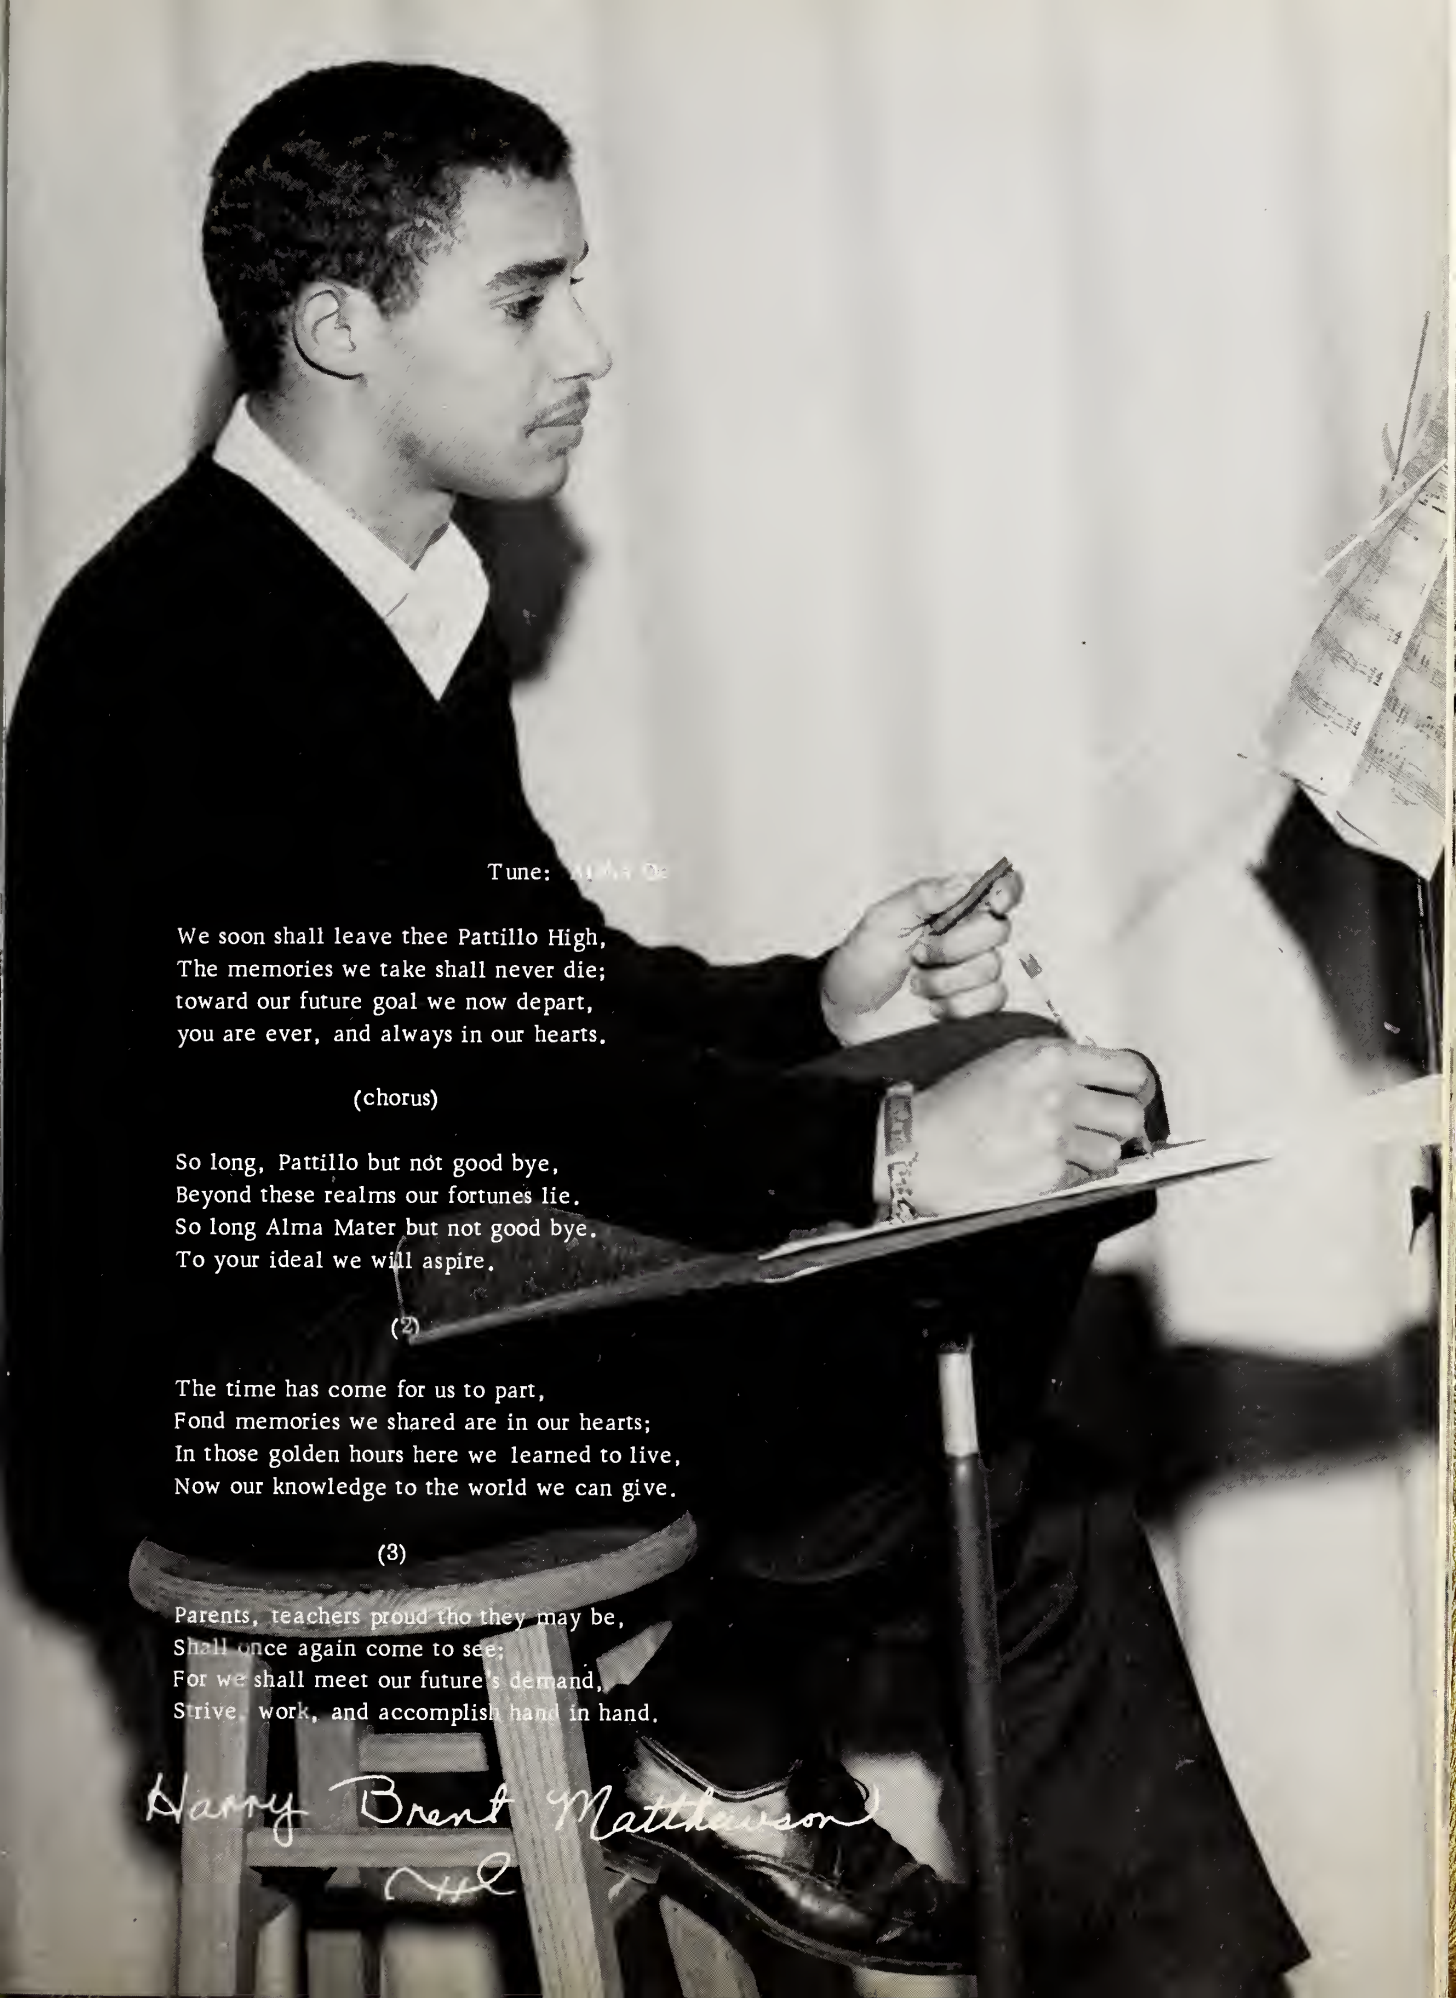
The role of school leadership for which we have for four years aspired was given to us in September, 1963. Glen Hart was elected president of the Senior Class. Fern Matthewson "most dependable senior" was elected Editor of the "Trojan '64."

Hats off, congratulations and commendations come to us, the members of the determined class of '64. For us this is a time for mixed emotions; the joy of our success mingles with the sadness of our departure. Our lives, our fortunes and our future goals lie ahead - we must go to meet them. Our paths are varied, our purpose is one, our abilities differ but our dedication is the same.

We can look back on these years with laughter, admiration, sweat, and tears, one thing we have learned:

"EVERY MAN IS THE ARCHITECT OF HIS OWN FUTURE"

- Class of '64
by - Rosa Johnson



Tune: [illegible]

We soon shall leave thee Pattillo High,
The memories we take shall never die;
toward our future goal we now depart,
you are ever, and always in our hearts.

(chorus)

So long, Pattillo but not good bye,
Beyond these realms our fortunes lie.
So long Alma Mater but not good bye.
To your ideal we will aspire.

(2)

The time has come for us to part,
Fond memories we shared are in our hearts;
In those golden hours here we learned to live,
Now our knowledge to the world we can give.

(3)

Parents, teachers proud tho they may be,
Shall once again come to see;
For we shall meet our future's demand,
Strive, work, and accomplish hand in hand.

Ole Betsy

Organizations

Ole Betsy

In '56 we got a bus,
But, was it really any help to us?
From town to town we rode that "thang"
And now it has MORE aches and pains.

Through all kinds of weather she rode like a breeze;
Swiftly and smoothly with the greatest of ease.
On every trip you could hear her noise,
From within came laughter of girls and boys.

The first long trip she had to go,
Was Winston-Salem with the Band you know.
She rode us there; we pushed her back,
It seemed OLE BETSY had no tact.

There were plenty of good times tho,
When faithful OLE BETSY kept us on the go.
And now that OLE BETSY'S getting old,
They don't appreciate her faithful soul.

I remember the time we went to Roper
The NHA girls had a real chocker.
OLE BETSY stopped in the middle of the road
It seems she had too much of a load.

To NCC we went one time
That's when OLE BETSY was in her prime.
We played all day and late that night,
Faithful OLE BETSY brought us back safe and tight.

Her motor's gone, her seats are worn
Poor OLE BETSY is just torn ---
Torn into pieces and shunned with disgust.
But she will always be a part of us.

Court Of BEAUTY

Charm, poise, personality, compassion for fellowman, respect for others, and an inner self are some of the essentials for membership in the Court of Beauty.

The young ladies on the following pages have portrayed these characteristics, and they have reigned regally.

It is our hope that as they leave Pattillo High School, their reign in life will be as good to them as it was here.

TAYLOR PUBLISHING COMPANY
"The World's Best Yearbooks Are Taylor-made"

Do Rudolph,
Surely, you shall
accomplish anything you
endeavor, for yours is success.
When I say I mean every word of it.
I mean every word of the 65 year
As chief editor of the 65 year book, you should make it a success. Don't worry about your rivals, for they can't take so what's in your head. So, when evening draws her curtains, and pins them with a star, remember I'm your friend, no matter where you are.

Don't let
this little in-
scription go to your
head.

Rising
Sophomore
Rising
Senior

Please
regard me as
a crumb in
your bread-box
of life.

Rudolph Knight
Mr. Rudolph Knight
